I desire to be baptized in water as an act of obedience and testimony to the new birth of Jesus the Christ in me.

I understand that baptism will normally take place on a Sunday following the morning assembly.

I would prefer Sunday, the _____ of _____ after the morning assembly.

We have a pamphlet on the principles of water baptism which we want you to read and understand prior to receiving water baptism. Water baptism is an important part of your walk of faith in the Lord Jesus.

If there are special circumstances; which would require baptism at a different time, please indicate below. You are required to bring:

- *A large towel*
- *Avoid wearing T-Shirts, white clothes, or clothing which becomes transparent or see through when wet.*
- *Avoid clothes that will cling when wet*
- *Wear clothes which are modest and you don't mind getting wet.*
- *A change of clothing.*
